## How to play:

Stop by either of our locations and take your best guess at how many pieces are in our container! (Remember: if a bolt has nuts or washers threaded on it, that counts as ONE piece)

## How to enter:

Fill out an entry slip with your name, phone number, and put your best guess in the email section. Visiting us more than once this month? You can enter a new guess each time you stop by!

## How to win:

The person with the closest guess **WITHOUT** going over takes home the prize! If there's a tie, we'll put all the tied names in a hat and draw a winner fair and square.

**You've got all month to guess – we'll announce the winner at the end of the month! Stop by and test your luck – let's have some fun!**
